

April is Child Abuse Prevention Month

You can be part of the solution
by taking action to prevent child
abuse...

Display a Bouquet

Display a pinwheel bouquet during April at your office or organization, or plant the pinwheels in your yard to educate others. Scan the QR Code to request yours today!

***Suggested donation of \$15**

Wear Blue April 1!

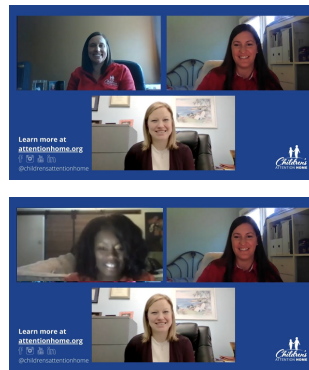

Organize a wear blue day at your office or with your group and share information about preventing child abuse! To take it to the next level, use the opportunity to raise support for the Children's Attention Home!

Support Families

Support parents and families you know to create a supportive home for kids in your life. Request resources for your clients, members, and families to be a champion for children! Available in English and Spanish. Scan the QR code to request!

Get Educated

Hear from the experts! Learn the signs and understand how trauma affects kids. Watch our video resources on our YouTube channel. You can also invite a speaker (in-person or virtual) to your next event to learn more!

Everyone can do something. What will you do?
